Bridging the Virtual Divide: Working Summit

to increase reach to older adults, Latino/a adults, and individuals with serious mental illness

We will discuss how to reach older adults with serious mental illness, particularly from Latino/a communities, and how to increase access to research, technology, and care.

This event is free and open to all.

Closed captioning in Spanish, please contact us if you have accessibility concerns.

Please contact the Engage Initiative Team at mghengage@partners.org with any questions or concerns.

Warmly,
Kelly Irwin and Amy Corveleyn

This event was funded through a Patient-Centered Outcomes Research Institute (PCORI) Eugene Washington PCORI Engagement Award (#EAIN-00130).
